

# Delft University of Technology Extension School

- Roadmap for creating online courses -

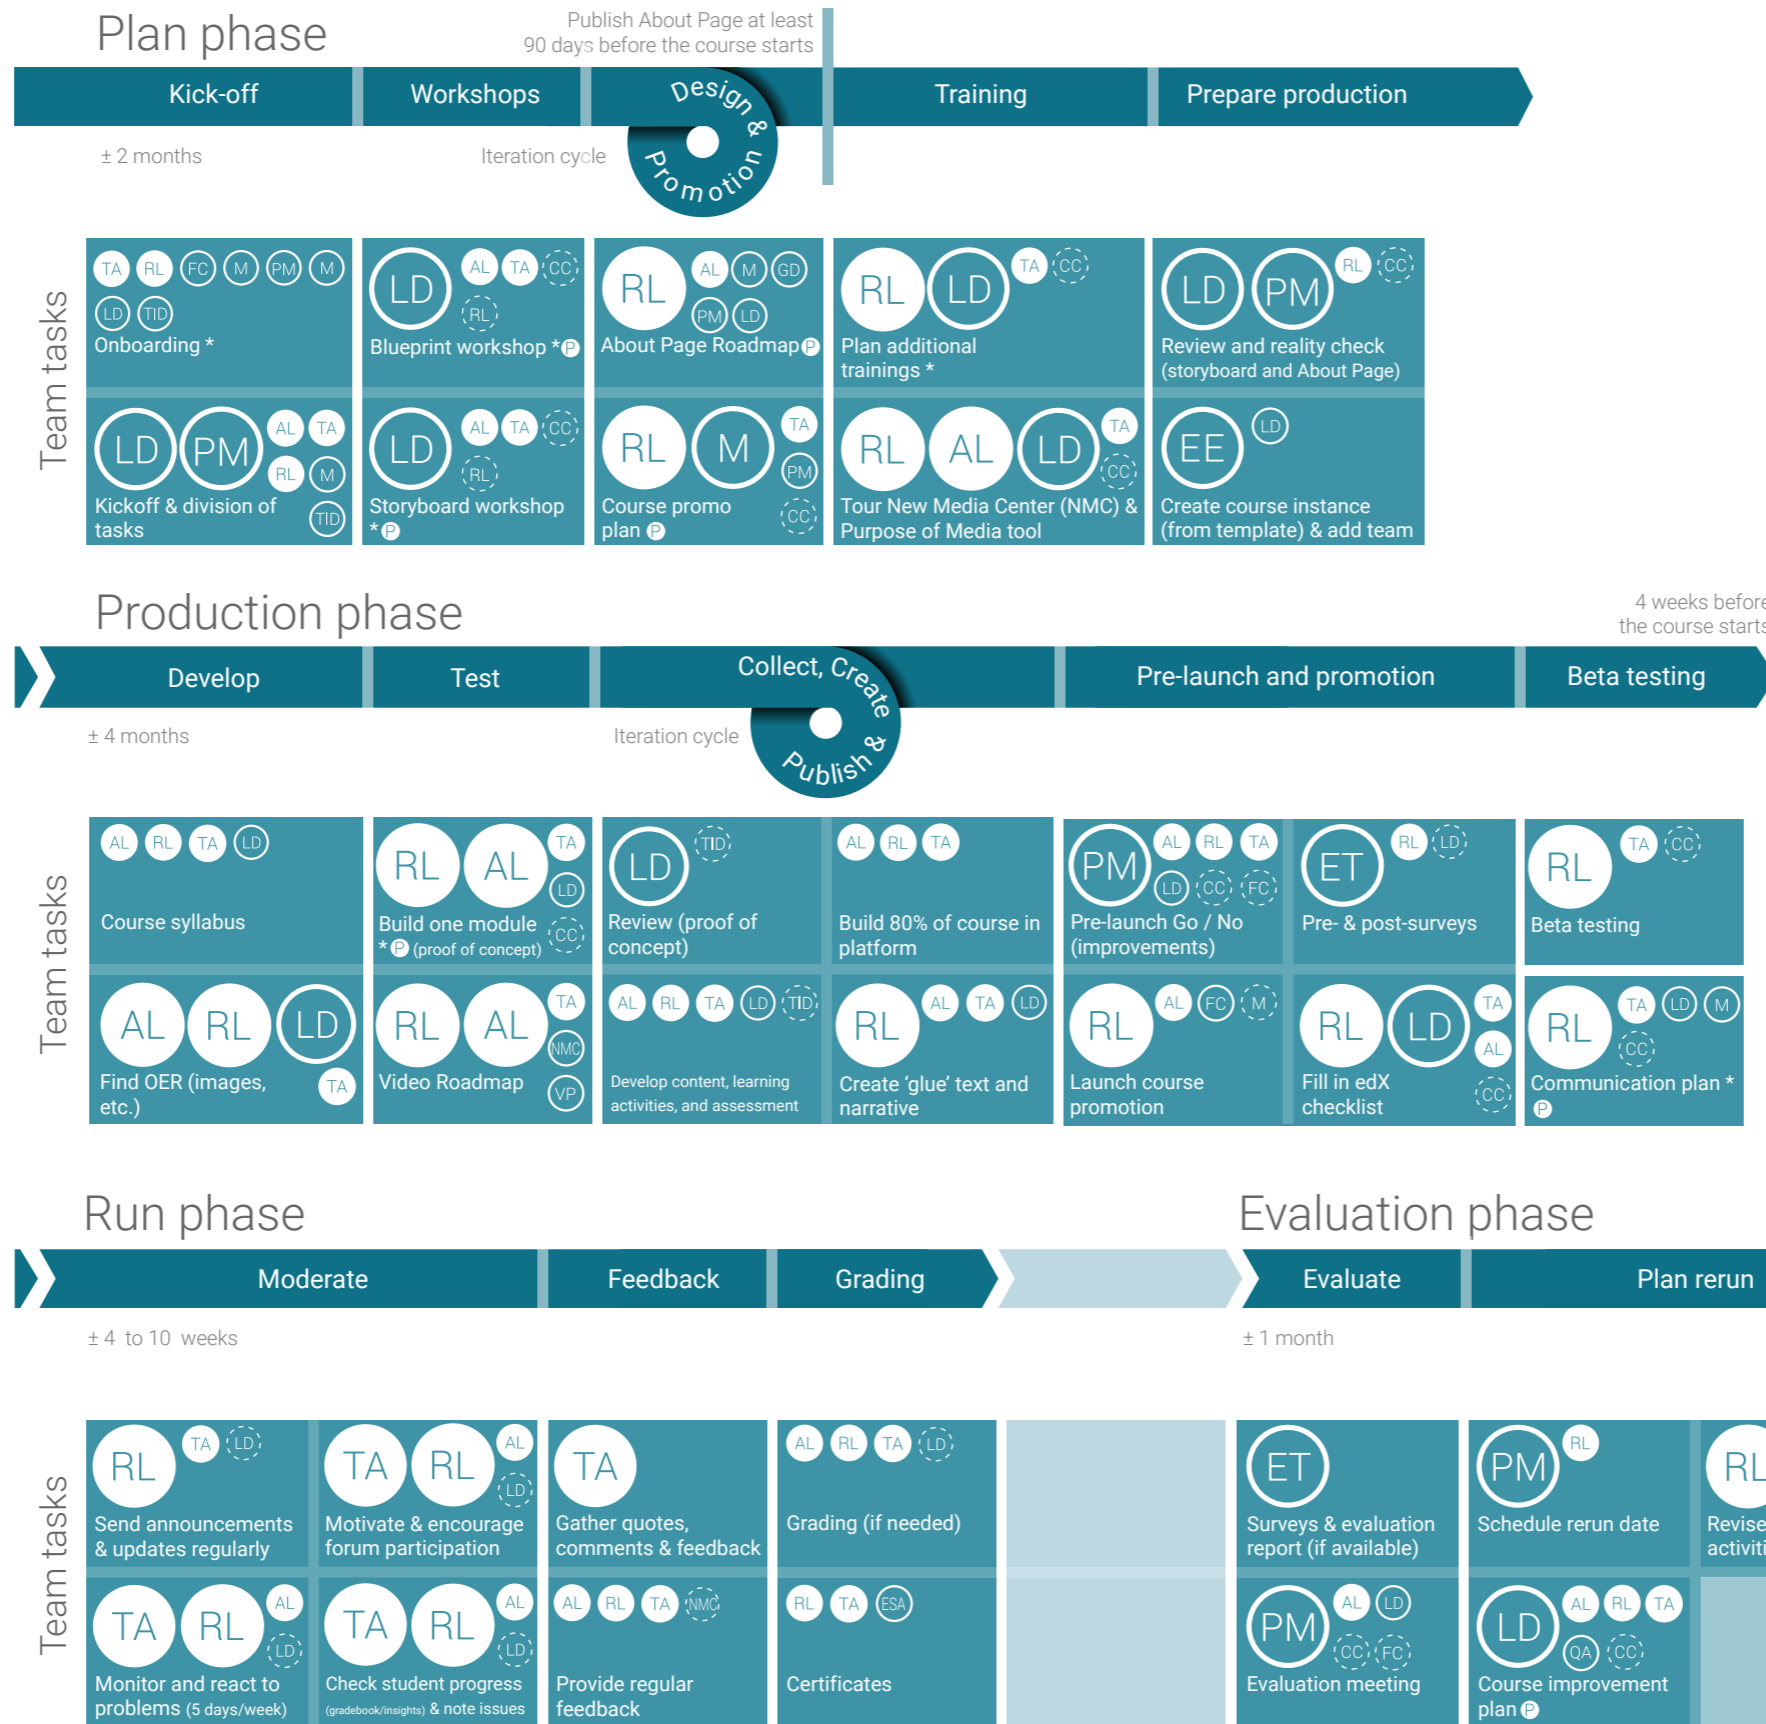

How to read  
this roadmap

*The roadmap for creating an online course is based on tasks assigned to certain roles or people. Each role has an icon: the abbreviation of the role in a circle. The size of the icon indicates that this role holds the key responsibility for the task's completion. The smaller icons indicate that these roles/people are involved in completing the task, but do not bear the responsibility.*

*Sometimes tasks are assigned to student assistants, but in the end, the instructor is responsible for the student assistant and ensuring that s/he actually performs the task.*
